Swine to be Treated: Number _____
Farm Location: Farm address, Building Identification, Other Identification _____

Indication: For the control of Swine Respiratory Disease (SRD) associated with *Actinobacillus pleuropneumoniae*, *Pasteurella multocida*, *Streptococcus suis* and *Bordetella bronchiseptica* in groups of swine in buildings experiencing an outbreak of SRD.

Active Drug Ingredient: Florfenicol 182g/ton

Amount of Final (Type C) Feed: _____ (Pounds or tons)

Feeding Directions: Feed medicated feed as the sole ration for 5 consecutive days to swine to deliver 10 mg florfenicol per kg body weight per day.

Special Instructions

Date of Treatment: _____ (Month/Day/Year)

Expiration Date: _____ (Month/Day/Year) (Not to exceed 90 days from the date of issuance)

Veterinarian's Signature: _____ **Date:** _____

License Number and State: _____

Caution: Federal law limits this drug to use under the professional supervision of a licensed veterinarian. Animal feed bearing or containing this veterinary feed directive (VFD) drug shall be fed to animals only by or upon a lawful VFD issued by a licensed veterinarian in the course of the veterinarian's professional practice. Extra-label use (i.e., use of this VFD feed in a manner other than as provided for the VFD drug approval) is strictly prohibited.

Feed containing florfenicol shall not be fed to pigs for more than 5 days. Following administration, pigs should be re-evaluated by a licensed veterinarian before reinitiating a further course of therapy. The expiration date for VFD for Nuflor[®] (florfenicol) must not exceed 90 days from the date of issuance. VFD for Nuflor[®] (florfenicol) shall not be refilled.

The effects of florfenicol on swine reproductive performance, pregnancy and lactation have not been determined.

RESIDUE WARNING: Feeds containing florfenicol must be withdrawn 13 days prior to slaughter

Warning: Avoid inhalation, oral exposure, and direct contact with skin or eyes. Operators mixing and handling Nuflor[®] Type A Medicated Article should use protective clothing, gloves, goggles and a NIOSH-approved dust mask. Wash thoroughly with soap and water after handling. If accidental eye contact occurs, immediately rinse thoroughly with water. If irritation persists, seek medical attention. Not for human consumption. Keep out of reach of children. The Material Safety Data Sheet (MSDS) contains more detailed occupational safety information. To obtain more information or to report adverse effects call 1-800-211-3573. For customer service or a copy of the MSDS, call 1-800-521-5767.
