

ONE STEP:

**It only takes one step to
help protect your horse
from intestinal parasites.**

Just pour these apple-flavored, alfalfa-based pellets onto your horse's feed. It's a great solution for hard to manage horses. And you'll love the simplicity of deworming in a single step.

safe-guard[®]
(fenbendazole)

**Consult your veterinarian for assistance
in the diagnosis, treatment, and control
of parasitism.**
