MERCK ACTIVYL POWERWING

IN-STORE ASSEMBLY

Directions for Proxy Cards Use

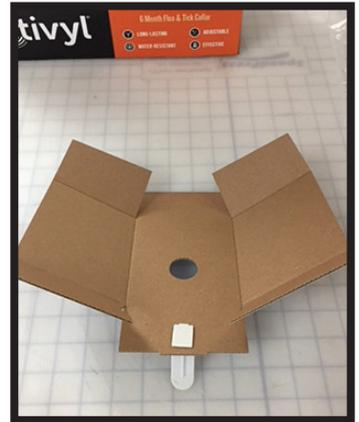

Step 1
Remove the hook insert that was also used as a shipping insert and set aside.

Step 2
Remove the brochure pack & brochure pocket and hooks.

Step 3
Install hooks into each hook insert as shown.

Step 4
Pre-fold flaps of the hook insert as shown.

Step 5
Install all (6) hook pads into the (6) upper cells as shown. The inserts lean slightly forward when installed.

Step 6
Shows hook insert installed ready for proxy cards.

Step 7
Remove twin-stick protector backing from the back of the pocket.

Step 8
There are (2) "L" shape cuts to position the bottom corners of the pocket to the vertical graphic panel. Important! Carefully align the pocket then press firmly to get good adhesion to the graphic panel.
